Additional descriptive comments on figurative or decorative portion of the exterior: left leg and foot of apparent human. There is a possible skirt or hip cloth, and a possible windcloth flap hangs by the leg. The windcloth has a raised rectangular area at its end, which has very faint vertical lines. The foot seems to project left, two toes show. The leg is covered w/ a possible pelt: the covering has a row of round punctated dots in a rough column. The edge of the skirt/hip cloth is a plain raised band. The small upper remaining part is broken.

It: has - does not have other damage. Describe:
